people who fight in Allah's way

**Ibnu Sabil**

people who are traveling

# Location Based Services

information services that can be accessed by mobile devices through the mobile network and to utilize the mobile device location

mobile  
equipment

communication  
network

Data &  
content  
provider

positioning  
component

services and  
application  
provider

# POVERTY

Islam considers poverty as a catastrophe that must be addressed.

## Causes of Poverty:

1. physical weakness
2. inability to find a job
3. lack of income

## **Traditional Zakat consumption**

daily consumption needs (short term)

# Creative Zakat Consumption

**Tools Help  
Education**

**Help Tools  
Business**

**Help Tool  
Worship**

# Productive Zakat Consumption

**Livestock**

**Construction of  
Places of Worship**

**Help Business  
Capital**

# ***Distribution Rule***

**Autonomy  
Zakat**

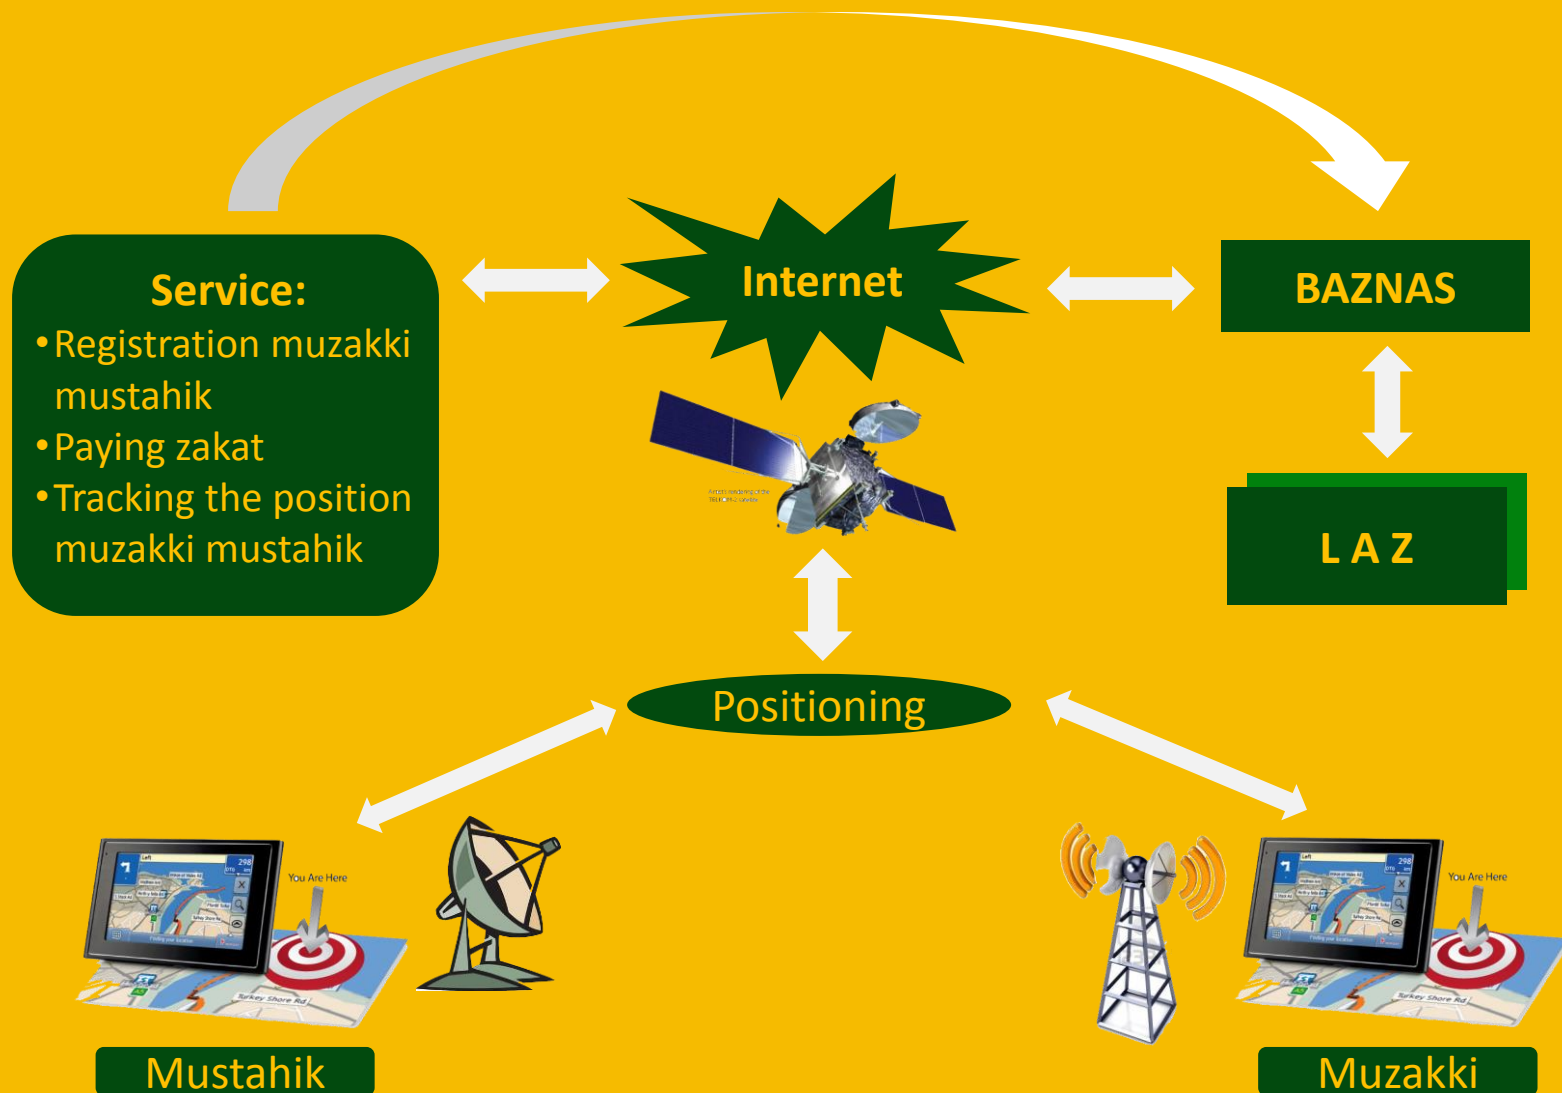

**Fair-Sharing**

**Based on  
Accurate Data**

# LBS System in The Management of Zakat

the need to increase the function of e-ID cards from single function into the multifunction. E-ID card that was originally only to authenticate the identity of the Indonesian population, in the next 5 years will be the basis for public service

## Utilization Function E-KTP

**Excellence of**

**implementation**

**LBS Zakat**

**Preventing  
double entry**

**Monitoring  
towards  
channeling  
funds**

**Monitoring  
Performance  
Management  
Agency Zakat**

**positive  
competition in  
management of  
zakat**

## Conclusion

- When zakat realized with optimal it will reduce poverty in Indonesia
- Application of Location Based Services in zakat management can improve the effectiveness of the management of zakat

stakeholders and relevant parties in Indonesia is expected to create policies that accommodate the E-ID card system in Zakat-based LBS

## Suggestion

A green stylized figure, possibly representing a person or a robot, is shown from the chest up. It has a dark green body and a semi-circular head. A bright yellow banner is draped across its chest, featuring the words "THANK YOU" in bold, black, sans-serif capital letters. The banner has a slight 3D effect with a shadow. The background is a solid light gray.

**THANK YOU**
